

4335 SW Altadena Ave

RMLS # 9086726

For full details and photos visit www.portlandmodern.com

Located in the close-in west hills above SW Dosch and Hamilton with a view of the valley and coast range, this house from the early fifties continues to offer the essence of a modernism that equally embraced and valued practicality, livability, and esthetics. Its plan, lines, finishes, and detailing embody the modernist approach and achieve the effect of elegant simplicity which, for those responsible for its execution know, is anything but simple to achieve.

House Features:

- 2138 square feet
- good storage and organization
- large laundry/utility area
- one level living
- 3 bedrooms/3 bathrooms
- 10,000 sq ft lot with valley and coast range views
- clerestory windows and skylights provide excellent daylighting
- wonderful terrace, deck and patio areas
- schools: Reike, Gray and Wilson
- double garage
- in floor hydronic radiant heat
